PARENT VOLUNTEER FORM

Your Name _____

Active parent participation is essential to our organization. If you can find some time to help the Chorus in any of the following ways, it will be greatly appreciated. Kindly check below any areas of interest and please offer specifics of ways you can help.

- Board Member**
- Rehearsal Assistant:** Can you sing? Speak a foreign language? Play piano or other instruments? Coach a child on a difficult section?
- Finance:** Do you have experience fund-raising? Writing grants?
- Friends of the Chorus Fundraising Letter:** Help with the creation, printing and distribution of our annual letters to friends, family and businesses.
- Publicity:** Are you a photographer? Do you have writing skills? Can you distribute posters/flyers for performances? Can you create promotional materials?
- Recording:** Do you have a good-quality tape recorder or video camera that we could use to record concerts, rehearsals or practice tapes? Can you help with burning practice tapes onto CD's?
- Special Events:** We often need help planning the "non-musical" events of the Chorus: baking treats for special rehearsals and workshops, transporting children to performances and tours, preparing receptions.
- Scrapbook:** Collect newspaper articles, photos, programs, reviews, etc.
- Are there other ways not listed that you could assist the Chorus?

If you have any questions regarding ways you might help the Chorus, please contact Lauren Gotlieb at 413-346-8616 lauren.gotlieb@williams.edu

Please take a moment to share the contact information of music lovers in your life that would consider making a contribution to the BCC and becoming a *Friend of the Chorus*.

Every year, we send a letter to selected members of the community and contacts provided by our chorus members asking for support for our programs.

Please list here the name and mailing address of anyone you think would be interested in supporting the Bennington Children's Chorus.

We do not share our mailing with other organizations or businesses:
